

K-LOVE a not for profit radio station services myself as a resident of a local community by keeping me informed of family issues that pertain to my beliefs. If K-LOVE were to be displaced by an LPFM broadcaster providing other programming, I would personally feel at loss, spiritually. K-LOVE many times has kept me spiritually and emotionally attached to my beliefs. K-LOVE offers an alternate to "for profit" radio stations by providing "family friendly" services. I never have to be afraid or concerned that K-LOVE will jepordize my families religious beliefs or morals. I believe that the service provided by K-LOVE is in the public interest because of this family friendly service. We here in Fairbanks have very limited services on the radio with access to family friendly music and news updates. Thank you for this opportunity.
